Professor

Department of Health, Behavior and Society
The Johns Hopkins Bloomberg School of Public Health

EDUCATION AND TRAINING

- | | |
|------|---|
| 1973 | B.Sc. (First Class), University of the Witwatersrand
Johannesburg, Republic of South Africa |
| 1974 | B.Sc. (Honors) in Psychology, University of the Witwatersrand
Johannesburg, Republic of South Africa |
| 1978 | M.S. in Clinical Psychology
Rutgers University, New Brunswick, New Jersey |
| 1981 | Ph.D. in Clinical Psychology
Rutgers University, New Brunswick, New Jersey
Accredited, American Psychological Association |

Postgraduate Training

- | | |
|-----------|---|
| 1978-1979 | Internship in Clinical Psychology / Behavioral Medicine
Brown University, Providence, Rhode Island
Accredited, American Psychological Association |
| 1979-1980 | Postdoctoral Fellowship, Brown University Program in Medicine |

Professional Licenses and Board Certification

- | | |
|------|--|
| 1983 | Licensed for independent practice in Clinical Psychology, State of Rhode Island. April 1983: License #242.

National Register of Health Service Providers in Psychology: #44677. |
|------|--|

PROFESSIONAL EXPERIENCE

- 1973 Chairperson, National Union of South African Students, Regional Literacy Training Program, University of Witwatersrand, Johannesburg, South Africa.
- 1974 Instructor in Psychology, University of the Witwatersrand, Johannesburg, South Africa.
- 1974-1975 Counselor, The Crisis Clinic, Hilbrow, Johannesburg, South Africa.
- 1975 Research Scientist, Department of Psychometrics, National Institute for Personnel Research, Johannesburg, South Africa.
- 1976 Research Assistant, Busch Foundation Grant: Behavior Modification and Biofeedback Applications for Treating Myopia, Rutgers University, New Brunswick, New Jersey.
- 1975-1977 Research Associate, Alcohol Behavior Research Laboratory, Rutgers University, New Brunswick, New Jersey.
- 1979-1980 Research Project Director: Randomized Trial of Alcoholic Couples Treatment. Butler Hospital/Brown University School of Medicine.
- 1979-1980 Coordinator, Problem Drinkers Treatment Program, Butler Hospital/Brown University School of Medicine.
- 1980-1983 Research Scientist, Pawtucket Heart Health Program, The Memorial Hospital/Brown University School of Medicine.
- 1981-1982 Instructor in Psychiatry and Human Behavior and Instructor in Community Health, Brown University School of Medicine.**
- 1982-1989 Director of Research, Division of Behavioral Medicine, The Miriam Hospital/Brown University School of Medicine.
- 1982-1988 Assistant Professor of Psychology (Adjunct). Department of Psychology, University of Rhode Island.
- 1982-1988 Assistant Professor in Psychiatry and Human Behavior and Assistant Professor in Community Health, Brown University School of Medicine.**
- 1988-1992 Associate Professor in Psychiatry and Human Behavior and Associate Professor in Community Health, Brown University School of Medicine.**
- 1988-1992 Associate Professor of Psychology (Adjunct), Department of Psychology, University of Rhode Island.
- 1983-1986 Director for Behavioral Medicine Track, Internship and Postdoctoral Training Program, The Miriam Hospital/Brown University School of Medicine.
- 1984-2008 Core Faculty, Center for Gerontology and Health Care Policy Research, Brown University School of Medicine.
- 1984-2008 Core Faculty, Center for Alcohol and Addiction Studies, Brown University.
- 1986-1988 Associate Director, Division of Behavioral Medicine, The Miriam Hospital/Brown University School of Medicine.

- 1988-2004 Director, Division of Behavioral Medicine, Department of Psychiatry and Human Behavior, The Miriam Hospital/Brown University School of Medicine.
- 1998-2004 Founding Director, Brown University-wide Transdisciplinary Centers for Behavioral and Preventive Medicine, Brown University School of Medicine.**
- 1988-1991 Associate Director, Brown University School of Medicine, Clinical Psychology Internship Training Consortium.
- 1989-1999 Co-Director, Rhode Island Cancer Prevention Research Center. Brown University and the University of Rhode Island.
- 1989-1992 Chairperson and Principal Investigator, Biomedical Research Support Grant and Small Instrument Grant Program, The Miriam Hospital/Brown University School of Medicine.
- 1990-1992 Chairperson, The Miriam Hospital Biomedical Research Council.
- 1992-2008 Professor in Psychiatry and Human Behavior and Professor in Community Health, Brown University School of Medicine.**
- 1992-1995 Director, Cancer Prevention and Control Program. The Roger Williams NCI Comprehensive Cancer Center, Brown University School of Medicine.
- 1993 Visiting Professor, University of Washington, Department of Psychology and Center for Addiction Research. Seattle, Washington.
- 1993 Visiting Research Professor, The Fred Hutchinson Cancer Research Center and University of Washington School of Public Health. Seattle, Washington.
- 1996-2004 Director, Division of Cancer Prevention, Control and Population Sciences, The Brown University Cancer Center, Brown Medical School.
- 1996-1997 Visiting Research Scientist, Division of Cancer Prevention and Control, National Cancer Institute, Bethesda, Maryland.
- 1999-2005 Member, Transdisciplinary Research Network on the Etiology of Tobacco Dependence (TERN). Robert Wood Johnson Foundation, Princeton, New Jersey.
- 2004-2008 Director: Transdisciplinary Research in Behavioral and Preventive Medicine, Butler Hospital/Brown Medical School.
- 2005-2008 **Director, Office of Behavioral and Social Sciences Research (OBSSR), and Associate Director, Office of the Director, National Institutes of Health, Bethesda, Maryland.**
- 2009-present Professor, Department of Health, Behavior and Society, The Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland.**

PROFESSIONAL ACTIVITIES

Society Membership and Leadership

Academy of Behavioral Medicine Research (Fellow, 2005)

American Public Health Association

American Psychological Association: Division 12, Clinical Psychology

1985-1986 *Member, National Program Committee*

American Psychological Association: Division 38, Health Psychology (Fellow)

1995-1997 *Liaison to the APA Boards of Directors*

American Psychological Association: Division 50, Addictions

1995-1997 *Liaison to the APA Boards of Directors*

American Association for the Advancement of Science

American Association for Health Behavior

American Cancer Society, Rhode Island Division, Providence, RI

1983-1989 *Member, Public Education Committee*

American Psychological Society

American Diabetes Association

American Association for Cancer Research

American Society of Preventive Oncology

Association for Medical Education and Research in Substance Abuse

Association for Advancement of Behavioral and Cognitive Therapy

New England Conference on Health Promotion and Disease Prevention

1984-1986 *Member, Policy Committee*

Research Society on Alcoholism

Rhode Island Heart Association, Providence, Rhode Island

1984-1986 *Member, Committee on Tobacco Addiction: Prevention and Cessation*

Rhode Island Psychological Association

Society of Behavioral Medicine (Fellow)

1984 *Member, National Program Committee, 7th Annual Meeting*

1986 *Program Chair, 8th Annual Meeting, Washington, DC*

1993-1995 *Member, Nominations Committee*

1995 *Fellow*

1995-1997 *Chairperson of Nominations Committee*

2001-2002 *President-Elect*

2002-2003 *President*

2003-2004 *Immediate Past President*

Society of Psychologists in Addictive Behaviors

Society for Research on Nicotine and Tobacco

2001-2003 *Council Chair, Publications and Communications Committee*

2008-present *Smoking Cessation Treatment Committee*

Participation on Advisory Panels

- 1986 Initial Review Group, Study Section: *Community Prevention Trial for Heavy Smokers*. National Cancer Institute, Division of Cancer Prevention and Control, Technical Review Committee (ad hoc). National Institutes of Health, Bethesda, Maryland.
- 1986 Expert Consensus Panel: *Relapse Prevention*. National Heart, Lung, and Blood Institute. National Institutes of Health, Bethesda, Maryland.
- 1986 Initial Review Group and Site Visitor: *Program Project Applications (Center Grants)*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1986 Expert Consensus Panel: *Standards for Biochemical Evaluation of Tobacco Use*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, San Francisco, California.
- 1987 Expert Consensus Panel: *Smoking Policy at the Workplace*. National Heart, Lung and Blood Institute, The Lung Branch. National Institutes of Health, Bethesda, Maryland.
- 1987-1988 Expert Panel Member: *Treatment of Alcohol-Related Problems: Research Opportunities*. Institute of Medicine. National Academy of Sciences, Washington, DC.
- 1987 Initial Review Group, Study Section: Treatment Research Group (ad hoc). National Institute of Alcoholism and Alcohol Abuse. National Institutes of Health, Bethesda, Maryland.
- 1988 Initial Review Group and Site Visitor: *Cancer Prevention Research Center (Program Project Application)*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1988 Expert Advisory Panel: *Essential Elements of Self-Help Smoking Cessation Strategies*. National Cancer Institute. National Institutes of Health, Bethesda, Maryland.
- 1988-1990 Expert Panel Member: *Research Recommendations for Prevention of Alcoholism and Alcohol-Related Problems*. Institute of Medicine. National Academy of Sciences, Washington, DC.
- 1988-1991 Member, *Health Promotion Advisory Committee*. Rhode Island Department of Health, Division of Health Promotion and Education. Providence, Rhode Island.
- 1989 Initial Review Group, Study Section: National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.

- 1989-1998 Steering Committee: *Multi-Center Cooperative Agreement. Workplace Cancer Prevention and Control*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1991 Initial Review Group and Site Visitor: *Cancer Prevention Research Center (Program Project Application)*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1991-1992 Member, *Scientific Advisory Committee*. Rhode Island Anti-Drug Coalition, Providence, Rhode Island.
- 1991-1998 External Scientific Advisory Board: *Project ASSIST*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1992 Initial Review Group, Study Section: *Minority Institutions Research Development Program*. Alcohol, Drug Abuse and Mental Health Administration. National Institutes of Health, Rockville, Maryland.
- 1992 Initial Review Group and Site Visitor: *Cancer Prevention Research Center (Program Project Application)*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1993 Chairperson of Initial Review Group Site Visit: *Cancer Prevention Research Center (Program Project Application)*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1993 Advisory Committee (ad hoc) to National Cancer Advisory Board and Board of Scientific Advisors and the Director of the National Cancer Institute. *Review and recommendations for Center Grant Funding Priorities for program projects (P01s)*. National Cancer Institute, National Institutes of Health. Bethesda, Maryland.
- 1993 Special Review Group Study Section: *Research for the prevention and control of skin cancer (RFA)*. National Cancer Institute. National Institutes of Health, Rockville, Maryland.
- 1994-1995 Executive Committee, planning consensus conference and producing research monograph. *Alcohol and Tobacco: From Basic Science to Policy*. National Institute for Alcohol Abuse and Alcoholism. National Institutes of Health. Bethesda, Maryland.
- 1995 Expert Panel Member. *Etiology of Substance Abuse and Youth Prevention*. The Robert Wood Johnson Foundation. Princeton, New Jersey.
- 1995 Invited Keynote Speaker and Panel Member. *Strategic Planning Committee on the Future of Tobacco Prevention and Control at the National Cancer Institute*. National Cancer Advisory Board, National Institutes of Health, Bethesda, MD.

- 1995 Expert Panel Member. *Recommendations for Future Behavioral Research in Cancer Prevention and Control*. National Cancer Institute and the National Cancer Advisory Board. National Institutes of Health, Bethesda, MD.
- 1995-1996 Member, Board of Scientific Advisors. *Black Leadership Conference on Cancer Prevention and Control*. National Cancer Institute. National Institutes of Health, Bethesda, MD.
- 1996 Initial Review Group, Study Section: *Cancer Prevention Research Centers (Program Project Applications)*. National Cancer Institute. Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1996-2001 External Scientific Advisory Board. Department of Behavioral Science, Division of Cancer Prevention. M.D. Anderson Comprehensive Cancer Center, Houston, Texas.
- 1996 Expert Panel Member. *Tailored Interventions for Cancer Prevention and Control*. National Cancer Institute, Division of Cancer Prevention and Control. National Institutes of Health, Bethesda, Maryland.
- 1996 Expert Panel Member. *Youth Tobacco Prevention*. Robert Wood Johnson Foundation, Princeton, New Jersey.
- 1996-1997 Chairperson, Cancer Control Research Review Panel. *Report for the Director, Board of Scientific Advisors and National Cancer Advisory Board*. National Cancer Institute. National Institutes of Health, Bethesda, MD.
- 1997-2001 External Scientific Advisory Board. Cancer Prevention and Control Research Center. Cancer Prevention, Detection and Control Research Program, Duke University, Medical Center, Durham, North Carolina.
- 1997 Organizing Committee and Keynote Speaker. *Consensus Conference on Tobacco Prevention Research (Sundance)*. Robert Wood Johnson Foundation, Salt Lake City, Utah.
- 1997 Expert Consensus Panel and Presenter. *Treatment and Alcohol Craving: Expanding the Paradigm*. National Institute on Alcohol Abuse and Alcoholism, Washington, DC.
- 1998 Expert Consensus Panel. *Tobacco Research Implementation Group*. National Cancer Institute, National Institutes of Health, Bethesda, Maryland.
- 1998-2001 External Scientific Advisory Board. Division of Cancer Control and Population Science. Duke University Comprehensive Cancer Center, Raleigh, North Carolina.
- 1999-2005 External Scientific Advisory Board. Community Research Division. Harvard School of Public Health. Boston, Massachusetts.
- 1999-2003 Member, Board of Scientific Advisors. National Cancer Institute. National Institutes of Health, Bethesda, Maryland.
- 2002 Chairperson, Initial Review Group, Study Section: *Cancer Communications RFA*. National Cancer Institute. National Institutes of Health, Bethesda, MD.

- 2002-2005 External Scientific Advisory Board. Dana Farber/Harvard Comprehensive Cancer Center. Harvard Medical School, Boston, MA.
- 2003-2005 Member, Board of Scientific Advisors (2nd term – reappointment). National Cancer Institute. National Institutes of Health, Bethesda, Maryland.
- 2004 Member, *Committee on Reducing Tobacco Use: Strategies, Barriers, and Consequences*. Institute of Medicine. National Academy of Sciences, Washington, DC.
- 2006-2007 Member, *Committee on Ending the Tobacco Problem: A Blueprint for the Nation*. Institute of Medicine. National Academy of Sciences, Washington, DC.
- 2006-2009 Member, Planning Committee. *Consumer Demand Round Table*. Robert Wood Johnson Foundation. Princeton, New Jersey. and The National Institutes of Health, Bethesda, Maryland.
- 2008 Expert Consensus Panel. *Smoking Cessation in Hospitalized Patients*. National Heart, Lung and Blood Institute, National Institutes of Health, Bethesda, MD
- 2008 -present External Advisory Board for the Harvard University-Dana-Farber Cancer Institute's Center for Community-based Research (CCBR), Population Sciences. Boston, MA.
- 2009 Member. *Strategic Dialogue Conference on Nicotine Regulation*. National Cancer Institute and American Legacy Foundation, Rockville, MD
- 2009 Initial Review Group, Study Section: Improved Effectiveness of Smoking Cessation Interventions and Programs in Low Income Adult Populations. National Cancer Institute. National Institutes of Health, Bethesda, Maryland.
- 2009 Expert Consensus Committee. *Science of Behavior Change (SOBC) Roadmap Development*. Office of the Director and Office of Behavioral and Social Sciences Research. National Institutes of Health, Bethesda, Maryland.
- 2009 Member, Consensus Workshop on Cigarette Warning Labels, Packaging, and Product Labeling. National Cancer Institute, National Institutes of Health, Bethesda, Maryland.
- 2009 Expert Panel Work Group. Twitter for Tweetment. Developing a New Mobile Therapy for Tobacco Treatment. National Institute for Drug Abuse, National Institutes of Health, Bethesda, Maryland.
- 2009-2010 Member, *Committee on An Evidence framework for obesity prevention decision-making*. Institute of Medicine. National Academy of Sciences, Washington, DC.

Consultations

- 1989 Invited Research Consultant to National Institute of Alcoholism and Alcohol Abuse (NIAAA) on the Prevention of Alcoholism and Alcohol Related Problems. National Institutes of Health, Bethesda, Maryland.
- 1993 Consultant to General Electric Corporation Headquarters, Fairfield, CT.
- 1993 Consultant to Canadian Government, National Cancer Institute. Strategic Plan for Cancer Prevention, Control and Policy Research.
- 1994-2000 Senior Scientific Advisor, Johnson & Johnson family of companies. New Brunswick, New Jersey.
- 1997 Consultant to Robert Wood Johnson Foundation, Princeton, NJ. Chronic Disease Prevention for the 21st Century.
- 1998 Consultant Scientific Advisor. Cancer Prevention and Control Program. Lineberger Comprehensive Cancer Center and Department of Health Behavior and Health Education, School of Public Health, University of North Carolina, Chapel Hill, North Carolina.

EDITORIAL ACTIVITIES

- 1976-1996 Journal Reviewer, *Behavior Therapy*.
- 1978-1996 Journal Reviewer, *American Psychologist*.
- 1978-1996 Journal Reviewer, *Journal of Consulting and Clinical Psychology*.
- 1978-1988 Journal Reviewer, *Journal of Applied Behavior Analysis*.
- 1978-1988 Journal Reviewer, *Cognitive Therapy and Research*.
- 1983-1986 Journal Reviewer, *International Journal of Preventive Medicine*.
- 1983-1998 Journal Reviewer, *Journal of Studies on Alcohol*.
- 1985-1988 Editorial Board, *Behavioral Medicine Abstracts*.
- 1985-1990 Journal Reviewer, *Behavioral Assessment*.
- 1986-1995 Journal Reviewer, *Journal of Abnormal Psychology*.
- 1988 Journal Reviewer, *Journal of the American Medical Association*.
- 1988-2005 Journal Reviewer, *Health Psychology*.
- 1988-2005 Journal Reviewer, *Hospital and Community Psychiatry*.
- 1988-2005 Journal Reviewer, *American Journal of Public Health*.
- 1988-2005 Journal Reviewer, *Addictive Behaviors*.
- 1991 Guest Associate Editor, *Journal of Alcohol Studies*.
- 1991-1994 Editorial Board, *Cancer Epidemiology, Biomarkers and Prevention*.
- 1992-1998 Editorial Board, *Journal of Studies on Alcohol*.

- 1997-1998 Guest Editor, *International Journal of Behavioral Medicine*, Special Issue: Health, Work and the Workplace.
- 1998-2000 Associate Editor, *Health Psychology*.

HONORS AND AWARDS

- 1969 Old Parktonian High School Bursary Award for University.
- 1972 International Business Machines (IBM) Award for Computer Science.
- 1976-1977 Overseas Scholarship Award, University of the Witwatersrand.
- 1977 Special Commendation for Performance, Rutgers University.
- 1995 Fellow, Society of Behavioral Medicine.
- 1995 Fellow, American Psychological Association.
- 1998 Dukoff Family Visiting Scholar Award, Memorial Sloan-Kettering Comprehensive Cancer Center, New York, NY.
- 1998 W.T. Grant Foundation Award, American Psychosomatic Society.
- 1998 Distinguished Scientist Award, Society of Behavioral Medicine.
- 2005 Fellow, Academy of Behavioral Medicine Research.
- 2006 Outstanding Mentor Award, Society of Behavioral Medicine.
- 2006 The Musiker-Meranda Distinguished Service Award. The American Psychological Association, Rhode Island Division.
- 2007 Distinguished Alumni Award. Rutgers University, The Graduate School, New Brunswick. New Jersey. For distinguished Accomplishments and Service: The Social and Behavioral Sciences.
- 2008 The Joseph W. Cullen Memorial Award. American Society for Preventive Oncology (ASPO). For outstanding contributions to Tobacco Control Research.

TEACHING

1979-2004	Social Learning Theory. Biomedical Seminar. Brown University Program in Medicine.
1980	Alcoholism. Advanced Psychopathology Seminar. Brown University Psychology Internship Program.
1980	Behavioral Approaches to Alcoholism: Maintenance Problems. Advanced Psychopathology Seminar. Brown University Psychology Internship Program.
1979-1980	Supervisor, Intern Community Placement. Cranston Rehabilitation Hospital, Cranston, Rhode Island.
1979-1980	Supervisor, Psychology Interns, Butler Hospital/ Brown University Psychology Internship Program.
1980-1982	Supervisor, Intern Community Placement. Division of Health Education. The Memorial Hospital/Brown University, Pawtucket, RI.
1980-1983	Obesity. Advanced Psychopathology Seminar. Brown University Psychology Internship Program.

- 1983-2004 Community and Organizational Approaches to Primary Prevention of Cardiovascular Disease. Advanced Seminar in Behavioral Medicine. Brown University Psychology Internship Consortium.
- 1983-1985 Preceptor: Clinical Interviewing Seminar for Medical Students (Biomed 390): The Biopsychosocial Interview. Brown University Program in Medicine.
- 1983-1989 Supervisor: Risk Factors Behavioral Medicine Clinic Rotation, Brown University Psychology Internship Consortium. The Miriam Hospital.
- 1984-1990 Supervisor: 2-3 Full-time Postdoctoral Fellows in Behavioral and Preventive Medicine. Research on Smoking Cessation and Diabetes Projects.
- 1984-1990 Clinical Research: Methodology and Statistics. Advanced Seminar: Brown University Psychology Internship Consortium.
- 1984-2004 Tobacco Dependence: Health Impact and Treatment. Advanced Seminar: Brown University Psychology Training Consortium.
- 1990-2004 Faculty Advisor: Brown University. Postdoctoral Fellowship Program in Behavioral and Preventive Medicine.
- 1987-2005 Tobacco Dependence: Epidemiology, Etiology, Treatment and Prevention. Postdoctoral Seminar Series. Brown University Center for Alcohol and Addiction Studies.
- 1995 Invited Guest Lecturer: Social cognitive theory applied to health behavior change. The Harvard School of Public Health.
- 1995-2004 Primary Supervisor. Postdoctoral Fellowship Program. Center for Alcohol and Addiction Studies, Brown University.
- 1998-2004 Ethics and Peer Review in Alcohol and Addiction Research. Core Seminar Series: Center for Alcohol and Addiction Studies, Brown University.
- 2000-2004 Lecturer: BC32, Introduction to Public Health, Brown Medical School, Public Health Program. Melissa Clark, Course Leader
- 2001-2004 Tobacco Dependence and the Evil Empire: Biomed 168. Full credit course for graduate students in Public Health and senior undergraduates. Brown Medical School, Public Health Programs (with Amanda Graham, Co-Leader).
- 2008, 2009, 2010 Cancer Epidemiology and Prevention. Lecturer, TBIO-520 Cancer Prevention, Control and Epidemiology. Georgetown University Medical School, Washington, DC.
- 2009 Summer course Faculty. Tobacco Cessation and Policy: A Systems Integrative Approach. The Institute for Global Tobacco Control at the Johns Hopkins Bloomberg School of Public Health 4th Annual Global Tobacco Control Leadership Program. Mount Washington Conference Center, Baltimore, MD.
- 2009 Tobacco Use Behavior. FAMRI Center of Excellence. The Institute for Global Tobacco Control at the Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.

- 2009 Field placement supervisor: Justin Byron, Department of Health, Behavior and Society, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 2009-present Dissertation committee member: For Jennifer Pearson and Andrea Villanti, Department of Health, Behavior and Society, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 2009-present Etiology, Prevention and Control of Cancer. Lecturer 340.624.01 Tobacco Use: Still our No.1 Preventable Cause of Disease Burden, Death and Excess of Healthcare costs. Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 2010 Principles and Practice in Behavioral Science in Cancer Control, TBIO532, Cancer Prevention, Control and Epidemiology, Georgetown University Medical School, Washington, DC.
- 2010-present Tobacco Control Science to Public Health Policy. Lecturer, Translating Research into Public Health Programs, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.
- 2011 How Research Informs Policy: The Tobacco Control Wars. Lecturer, LunchLearn Link Seminar, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.

RESEARCH GRANT PARTICIPATION

1. Co-Principal Investigator (with B. McCrady, Ph.D., Principal Investigator). The effect of spouse involvement on the behavioral treatment of alcoholism. National Institute for Alcoholism and Alcohol Abuse. Grant #AA03984, \$340,000 over three and a half years. Funded July 1979.
2. Principal Investigator. Differences between smoking quitters and chronic relapsers on triple response mode measures of social stress. Biomedical Research Support Grant. \$17,000 over 1 year. Funded June 1980.
3. Co-Principal Investigator (with P. Monti, Ph.D., Principal Investigator). Skills training for treatment of alcoholism. The Veterans Administration. \$190,000 over three years. Funded August, 1982.
4. Principal Investigator. Psychosocial stressors, smoking cessation and coronary heart disease. National Heart, Lung, and Blood Institute. Grant #R01 HL28793, \$266,000 over four years. September, 1982 – August, 1986.
5. Principal Investigator. Self-help smoking cessation for women at the worksite. National Cancer Institute. Grant #R01 CA38309, \$1,246,870 over 5 years. Funded September, 1984 – August, 1989.

6. Principal Investigator. Individual versus partner-supported weight loss and maintenance in type II diabetics. Rhode Island Diabetes Foundation and Centers for Disease Control. \$35,000 over 1 year. Funded March, 1985.
7. Co-Investigator (with P. Monti, Principal Investigator). Patient-treatment matching for alcoholics. The Veterans Administration. \$44,000 over 1 year. Funded July, 1985.
8. Co-Investigator (with A. Assaf, Principal Investigator). Smoking prevention for Black and Hispanic youths. National Cancer Institute. \$1,000,000 over five years. Funded September, 1985.
9. Co-Investigator (with M. Goldstein, R. Niaura, and M. Follick). Fixed versus ad-lib schedules of nicotine gum administration for smoking cessation. American Cancer Society and Brown University. \$7,000 over 2 years. Funded September, 1985.
10. Co-Investigator (with M. Goldstein, Principal Investigator). Self-help administration of nicotine gum in physician's office practice for smoking cessation. National Cancer Institute. #1 R03 CA44022-01, \$35,000 over 2 years. Funded July, 1986 – June, 1988.
11. Principal Investigator. Psychosocial stressors, smoking cessation and coronary heart disease. National Heart, Lung, and Blood Institute. Grant #R01 HL28793, \$450,000 over 4 years. Funded September, 1986-1990. (Second competitive renewal of Psychosocial stress and smoking relapse research program, National Heart, Lung & Blood Institute, 1982-1986.)
12. Co-Principal Investigator (with P. Monti, Principal Investigator). Cue exposure assessment and treatment for alcoholics. The Veterans Administration. \$198,000 over 2 years. Funded September, 1986.
13. Principal Investigator. Saliva cotinine, second-hand exposure and workplace smoking reduction for Rhode Island. Rhode Island Department of Health and Centers for Disease Control. \$394,185 over 3 years. Funded September, 1987.
14. Principal Investigator. Treatment of hypertension in type II diabetics. Centers for Disease Control, Atlanta, Georgia and Rhode Island Department of Health. \$66,000. Funded 1988-1989.
15. Co-Principal Investigator (with P. Monti, Principal Investigator). Social skills training for cocaine abusers. National Institute for Drug Abuse. \$992,094 over 5 years. Funded 1988 - 1993.
16. Co-Principal Investigator (with P. Monti, Principal Investigator). Cue exposure and skills training in the treatment of alcoholism. National Institute of Alcoholism and Alcohol Abuse. \$1,250,392 over 5 years. Funded July, 1988 – June, 1993.
17. Co-Principal Investigator (with R. Niaura, Principal Investigator). The implications of pulmonary feedback in the prevention of smoking cessation relapse. American Lung Association. \$34,293 over 3 years. Funded July, 1988 – June, 1990.
18. Co-Principal Investigator (with M. Goldstein, Principal Investigator). Fluoxetine vs. placebo in smoking cessation. Eli Lilly & Company. \$203,000. Funded August, 1989 – July, 1991.

19. Principal Investigator. Accelerating smoking cessation at the workplace. (Second competitive renewal, funded since 1984) National Cancer Institute, Cancer Prevention Research Center. Grant #P01 CA50087, \$2,893,730 over 5 years. Funded September, 1989 – August, 1994.
20. Co-Principal Investigator (with M. Goldstein, Principal Investigator). Efficacy of clonidine as an aid to smoking cessation. National Institute of Drug Abuse. Grant #R01 DA05623, \$329,103 over 4 years. Funded September, 1989 – August, 1993.
21. Co-Principal Investigator (with R. Niaura, Principal Investigator). Nicotine dependence and smoking relapse. National Heart, Lung & Blood Institute. #R01 HL32318, \$460,000 over 4 years. Funded April, 1991 – March, 1994. (Third competitive renewal of Psychosocial stress and smoking relapse research program, National Heart, Lung & Blood Institute; 1982-1986 and 1986-1990).
22. Co-Principal Investigator (with P. Monti, Principal Investigator). Smoking, alcoholics' reactivity and treatment motivation. National Institute of Alcoholism and Alcohol Abuse. Grant #1 R01 AA08734-02, \$1,336,249 over 5 years. Funded July, 1991 – June, 1996.
23. Co-Principal Investigator (with K. Emmons, Principal Investigator). Increasing physical activity at the workplace: Implications for cancer prevention. National Cancer Institute. \$114,000 over 3 years. Funded 1991 - 1994.
24. Co-Principal Investigator (with R. Niaura, Principal Investigator). Smoking cessation treatment for depressed smokers. National Heart, Lung, & Blood Institute. \$1,400,000 over 4 years. (Fourth competitive renewal of psychosocial stress and smoking relapse research program), National Heart, Lung & Blood Institute; 1982-1986; 1986-1990; and 1991-1995.
25. Co-Principal Investigator (with D. Rohsenow, Principal Investigator). Smoking's effect on elicited reactions to alcohol cues among alcoholics. Veterans Administration Merit Review Award. \$287,320 over 3 years. Funded April, 1992 – March, 1995.
26. Co-Principal Investigator (with R. Brown, Principal Investigator). Coping with depression in smoking cessation. National Institute of Drug Abuse. Grant #1 R01 DA08511-01, \$1,450,502 over 4 years. Funded December, 1992 – November, 1996.
27. Co-Principal Investigator (with K. Emmons, Principal Investigator). Does health feedback enhance self-help smoking outcome? National Heart, Lung, and Blood Institute. Grant #1 R01 HL48190-01, \$725,626 over 4 years. Funded 1992 - 1996.
28. Principal Investigator. Reaching underserved women for health promotion and disease prevention at the workplace. Office of Women's Health and National Cancer Institute. \$50,000. Funded March, 1993 – February, 1995.
29. Co-Principal Investigator (with B. Marcus, Principal Investigator). Smoking cessation, weight gain, and exercise in women. National Cancer Institute. Grant #1 R29 CA59660, \$297,370 over 5 years. Funded June, 1993 – May, 1998.

30. Co-Principal Investigator (with B. Marcus, Principal Investigator). Exercise, smoking cessation and weight concerns in women. American Cancer Society. \$324,000, returned, overlapping funds with National Cancer Institute grants.
31. Co-Principal Investigator (with D. Rohsenow, Principal Investigator). Motivation and coping skills training for cocaine abuse. National Institute of Alcohol Abuse & Alcoholism. Grant #2 R01 DA04859-07, \$1,397,217 over 4 years. Funded 1993 - 1997.
32. Co-Principal Investigator (with K. Emmons, Principal Investigator). Motivating smokers to reduce their children's environmental tobacco exposure. National Heart, Lung & Blood Institute. \$1,418,369 over 5 years. Funded April, 1994 – March, 1999.
33. Co-Principal Investigator (with P. Monti, Principal Investigator). Coping, cue exposure and naltrexone treatment with alcoholics. National Institute of Alcohol Abuse & Alcoholism. Grant #2 R01 AA07850-06, \$1,281,433 over 5 years. Funded June, 1994 – May, 1999.
34. Principal Investigator. Enhancing worksite cancer prevention through the home. National Cancer Institute. (Third competitive renewal, funded since 1984) Grant #P01 CA50087, \$2,582,886 over 5 years. Funded 1994 - 1999.
35. Principal Investigator. Intervention technology core. National Cancer Institute. Grant #P01 CA50087, \$1,217,236 over 5 years. Funded 1994 - 1999.
36. Co-Director and Co-Principal Investigator (with J. Prochaska, Principal Investigator). Accelerating cancer prevention through the home. National Cancer Institute - Cancer Prevention Research Center Award. (Second competitive renewal of P01 CA50087, funded since 1989). \$12,500,000 over 5 years. Funded September, 1994 – August, 1999.
37. Co-Investigator (with R. Niaura, Principal Investigator). A multicenter, randomized, blinded, placebo-controlled, 2x2 factorial design study of naltrexone 50 mg/day and nicotine patch as adjunctive treatment to psychosocial therapy for prevention of smoking relapse. Dupont Merck. \$150,000. Funded July, 1995 – June, 1996.
38. Principal Investigator. Minority women and work: Enhancing recruitment and retention in worksite health promotion research efforts. Office of Research on Women's Health. \$87,702 over 2 years. Funded July, 1995 – June, 1997.
39. Co-Principal Investigator (with R. Niaura, Principal Investigator). A multicenter comparison of Wellbutrin (bupropion hydrochloride) sustained release versus placebo for the prevention of relapse in patients who quit smoking while on Wellbutrin sustained release (Wellbutrin Protocol 406). Glaxo-Wellcome. \$485,000 over 2 years. Funded December, 1995 – November, 1997.
40. Co-Principal Investigator (with R. Niaura, Principal Investigator). A multicenter, randomized double-blind, placebo-controlled study of naltrexone 50 mg administered once daily with a transdermal nicotine patch as adjunctive treatment to psychosocial therapy for prevention of smoking relapse (Study 393-107). DuPont Merck Pharmaceutical Company. \$295,205. Funded June - December, 1996.

41. Principal Investigator. A guide for nurses to implement best practice smoking cessation within home health care. Robert Wood Johnson Foundation. \$46,816. Funded June, 1996 – May, 1997.
42. Co-Principal Investigator (with R. Niaura, Principal Investigator). Motivation and patch treatment for underserved smokers. National Cancer Institute/National Institute on Drug Abuse. Grant #R01 DA10860, \$1,586,476 over 3 years. Funded July, 1996 – June, 1999.
43. Co-Principal Investigator (with R. Niaura, Principal Investigator). Efficacy of Nicorette, Nicotrol, and Habitrol in relieving acute craving in abstinent cigarette smokers. SmithKline Beecham. \$195,913. Funded August - December, 1996.
44. Principal Investigator. Motivating alcoholics to quit smoking. National Institute for Alcohol Abuse & Alcoholism. Grant #R01 AA11211, \$2,289,980 over 5 years. Funded September, 1996 – August, 2002.
45. Co-Principal Investigator (with R. Niaura, Principal Investigator). The evaluation of the efficacy of a transdermal delivery system of nicotine/mecamylamine in cigarette smokers (P517/0796). Sano Corporation. \$368,219. Funded January - June, 1997.
46. Co-Principal Investigator (with B. Borrelli, Principal Investigator). A new channel for smoking cessation: Visiting nurses. National Cancer Institute. Grant #R01 CA96013, \$499,979 over 4 years. Funded April, 1997 – March, 2001.
47. Co-Principal Investigator (with R. Niaura, Principal Investigator). Matching antidepressant treatment for smoking cessation. National Heart, Lung, & Blood Institute. \$1,548,724 over 4 years. (Fourth competitive renewal of psychosocial stress and smoking relapse research program), National Heart, Lung & Blood Institute; 1982-1986; 1986-1990; and 1991-1995. Funded July, 1997 – June, 2001.
48. Co-Investigator (with R. Brown, Principal Investigator). Efficacy of depression skills treatment with alcoholics. National Institute of Alcohol Abuse & Alcoholism. Grant #R01 AA10958, \$1,886,845 over 5 years. Funded July, 1997 – June, 2001.
49. Co-Investigator (with R. Brown, Principal Investigator). Coping with depression in smoking cessation. National Institute on Drug Abuse. Grant #2R01 DA-MH08511, \$1,983,952 over 4 years. Funded July, 1997 – June, 2001.
50. Co-Investigator (with R. Brown, Principal Investigator). Smoking cessation in teens with comorbid psychopathology. National Cancer Institute. Grant #R01 CA77082, \$1,847,469 over 4 years. Funded September, 1997 – August, 2001.
51. Co-Principal Investigator (with D. Rohsenow, Principal Investigator). Increasing alcoholics' motivation to quit smoking. National Institute of Alcohol Abuse and Alcoholism. Grant #R01 AA11318-01A1, \$1.5 million over 5 years. Funded August, 1997 – July, 2002.
52. Co-Investigator (with W. Shadel, Principal Investigator). Information processing and cue reactivity between motivated and nonmotivated smokers. American Cancer Society. Grant #IN45-39. \$10,000. Funded January, 1998 – July, 1999.

53. Co-Investigator (With R. Niaura, Principal Investigator). Wellbutrin SR for smoking cessation: An investigation of mechanisms of action relating to the reinforcing properties of cigarette smoking. Glaxo Wellcome. \$50,000 over 1 year. Funded January – December, 1998.
54. Co-Investigator (with B. Marcus, Principal Investigator). Moderate exercise to aid smoking cessation in women. National Cancer Institute. Grant #R01 CA77249, \$1,580,967 over 4 years. Funded April, 1998 – March, 2002.
55. Co-Investigator (with R. Niaura, Principal Investigator). A multicenter, double blind placebo controlled study to evaluate the efficacy of buspirone as an aid to smoking cessation. Bristol-Myers Squibb. \$180,000 over 1 year. Funded January – December, 1999.
56. Co-Investigator (with R. Niaura, Principal Investigator). A multicenter double blind randomized placebo controlled parallel group study to examine the efficacy and safety of Meridia (Sibutramine Hydrochloride) plus adjunctive nicotine therapy (Habitrol patch) as an aid for smoking cessation in patients who smoke cigarettes. Knoll Pharmaceuticals. \$302,100 over 2 years. Funded January, 1999 – December, 2000.
57. Co-Investigator (with R. Niaura, Principal Investigator). Motivation and patch treatment for HIV-positive smokers. National Institute on Drug Abuse. Grant #R01 DA12344, \$2,519,197 over 5 years. Funded January, 1999 – December, 2004.
58. Co-Investigator (with W. Shadel, Principal Investigator). A social cognitive theory of smoking and cessation. National Cancer Institute. Grant #R01 CA81291, \$587,886 over 3 years. Funded April, 1999 – March, 2002.
59. Co-Investigator (with B. Borrelli, Principal Investigator). Motivating parents of kids with asthma to quit smoking. National Heart, Lung, and Blood Institute. \$1,903,603 over 4 years. Funded August, 1999 – July, 2003.
60. Co-Investigator (with W. Shadel, Principal Investigator). Adolescent social cognition and cigarette advertising. National Institute on Drug Abuse. Grant #R03 DA12350, \$156,191 over 2 years. Funded September, 1999 – August, 2001.
61. Principal Investigator. Nicotine dependence: Risk and recovery over generations. National Cancer Institute and National Institute on Drug Abuse (S.P.O.R.E.). Grant #P50 CA84719, \$11,582,454 over 5 years. Funded October, 1999 – September, 2004.
62. Co-Investigator (with R. Niaura, Principal Investigator). A single dose double-blind randomized, placebo-controlled study to characterize the effect of CP-526-555 on nicotine craving in healthy smokers. Pfizer, Inc. \$100,000 over 1 year. Funded October, 2000 – June, 2001.
63. Co-Investigator (with R. Niaura, Principal Investigator). The effects of d-amphetamine in humans. Eli Lilly Company. \$50,000 over 2 years. Funded October, 2000 – October, 2002.
64. Co-Investigator (with R. Niaura, Principal Investigator). Zyban for smoking cessation: An investigation of mechanisms of action relating to the reinforcing properties of smoking cessation. Glaxo Wellcome. \$50,000 over 1 year. Funded June, 2001 - June, 2002.

65. Principal Investigator Transdisciplinary cancer control research training grant. National Cancer Institute. \$2,671,251 over 5 years. Funded September, 2000 – August, 2005.
66. Niaura, R. (PI), Shadel, W., Sciamanna, C., & Abrams, D. A single dose double-blind randomized, placebo-controlled study to characterize the effect of CP-526-555 on nicotine craving in healthy smokers. Pfizer, Inc., 10/20/00-6/1/01. Total costs: \$100,000.
67. Niaura, R. (PI), Sciamanna, C., & Abrams, D. A twelve-week double-blind, placebo-controlled, randomized, multicenter study evaluating the safety and efficacy of a flexible-dosing strategy for CP-526, 555 (0.5 mg to 2.0 mg total daily dose in smoking cessation) (Protocol A3051016). Pfizer, Inc., 1/1/02-6/30/02. Total costs: \$336,000.
68. Niaura, R. (PI), Sciamanna, C., & Abrams, D. A forty-week double-blind, multicenter, nontreatment extension to Study A3051016, Evaluating the efficacy of a flexible-dosing strategy (0.5 to 2.0 mg total daily dose) in smoking cessation. Pfizer, Inc., 6/1/02-2/29/03. Total costs: \$83,525.
69. Co-Investigator. “Economic Impact of Tobacco Use Across the Life Span: An Examination of In-Utero Exposure, Smoker Subgroups, and Tailored Treatments.” Robert Wood Johnson Foundation, #044595 (Charles Neighbors, PI), \$402,570.
70. Principal Investigator. (PI - transferred to Niaura, R. upon Abrams appointment to Director, Office of Behavioral and Social Sciences Research (OBSSR), Office of the Director, National Institutes of Health.) Transdisciplinary Tobacco Use Research Center (TTURC competitive renewal –Nicotine Dependence: Phenotype, Endotype & Contexts. National Institutes of Health and National Cancer Institute. 8/04-8/09. Total costs: \$8,626,255.
71. Principal Investigator. (PI - transferred to Graham, A. upon Abrams appointment to Director, Office of Behavioral and Social Sciences Research (OBSSR), Office of the Director, National Institutes of Health.) “Internet and Telephone Treatment for Smoking Cessation.” National Cancer Institute, #1 R01 CA104836-01A1, \$2,610,126. 9/04-8/09
72. Principal Investigator. Transdisciplinary cancer control research training grant. PI - transferred to Rackowski, W. upon Abrams appointment to Director, Office of Behavioral and Social Sciences Research (OBSSR), Office of the Director, National Institutes of Health. National Cancer Institute. \$2,671,251 over 5 years. Funded 9/06 – 8/10.
73. Co-Investigator. (PI - Kirchner, T). Comparative Effectiveness of Web-based Mobile Support for the DC Tobacco Quitline. National Institute on Drug Abuse. 1RC1DA028710-01 (9/30/2009 – 9/29/2011)

PENDING RESEARCH GRANT AWARDS

74. Co-Investigator. (PI: Cobb, N). *Online Social Networks for Smoking Cessation Intervention Dissemination*. 1 R01 CA National Cancer Institute. 155369-01A1 (07/01/2011 - 06/30/2014).
75. Co-Investigator. (PI: Graham, A). *Improving Adherence to Web-Based Cessation Programs: A Social Network Approach*. National Cancer Institute. 1 R01 CA 155489-01A1 (07/01/2011 - 06/30/2016)

ACADEMIC SERVICE

- 1982-1989 Chairperson, Primary Prevention Research Committee, Brown University Center for Alcohol and Addiction Studies.
- 1983-1988 Member, Brown University Psychology Internship Consortium, Selection Committee, Behavioral Medicine Track.
- 1983-2004 Member, Brown University Psychology Internship Consortium, Behavioral Medicine Track and Curriculum Development Committee.
- 1983-2000 Supervisor and Academic Mentor, Brown University Psychology Internship Consortium, Behavioral Medicine Track.
- 1984-1985 Member, Committee on Psychology Internship Training Curriculum.
- 1984-1992 Member, The Miriam Hospital Human Subjects Institutional Review Board.
- 1985 Member, Committee on Internship Training Evaluation.
- 1986-1990 Chairperson, Brown University Psychology Consortium, Postdoctoral Training Program, Behavioral Medicine Track.
- 1993-1995 Member, The Miriam Hospital Research Council.
- 1993-2004 Member, Brown University Promotions and Reappointments Committee, Department of Psychiatry and Human Behavior.
- 1995-2004 Member, Academic Advisory Council: Lifespan Academic Medical Center, Brown Medical School.
- 1995-2004 Member, Lifespan Academic Medical Center, Behavioral Health Council.
- 1998-2004 Member, Dean's Council of Department Chairs and Center Directors, Brown Medical School.
- 2002-2004 Member, Brown Medical School, Program in Public Health, Center Directors Committee.
- 2009-Present Member, Johns Hopkins Bloomberg School of Public Health, Academic and Curriculum Committee, Department of Health, Behavior and Society Committee.

- 2009-Present Member, Johns Hopkins Bloomberg School of Public Health, Steering, Finance and External Development Committee, Department of Health Behavior and Society Committee.
- 2009-Present Member, John Hopkins Bloomberg School of Public Health, Appointments and Promotions Committee.
- 2009-Present Member, John Hopkins Bloomberg School of Public Health, Research Affairs Committee.

PRESENTATIONS

Scientific Meetings

1. **Abrams, D.B.** *Social learning theory*. Paper presented to special interest group, The Memorial Hospital, September, 1979.
2. **Abrams, D.B.** *Morbid obesity: Assessment and follow-up issues*. Paper presented at the Symposium on Morbid Obesity, Rhode Island Hospital, November, 1979.
3. **Abrams, D.B.** *Obesity: Behavioral approaches*. Paper presented at the Rhode Island Hospital, March, 1980.
4. Monti, P.M., Ahern, D.K., **Abrams, D.B.**, & Munroe, S. *The relationship between multimodally-measured social skills and social anxiety in role-play assessment procedures*. Invited Presentations

1. **Abrams, D.B.**, Symposium Chairperson. *Worksite health promotion: Current status and future directions.* Presented at the annual convention of the Society of Behavioral Medicine, New York, November, 1980.
2. **Abrams, D.B.** *An organizational approach to worksite weight management.* Invited paper presented at symposium on Worksite Health Promotion at the annual convention of the Society of Behavioral Medicine, New York, November, 1980.
3. **Abrams, D.B.** *Biopsychosocial parameters of stress in smoking and alcohol addictions.* Invited presentation at the University of Connecticut Medical Center, Connecticut, June, 1981.
4. **Abrams, D.B.** *Efficacy and Mechanisms: Obesity and coronary heart disease.* Invited paper presented at the 13th annual meeting of the Biofeedback Society of America, Chicago, Illinois, March, 1982.
5. **Abrams, D.B.** *Theory, implementation and evaluation of a community primary prevention program.* Invited presentation at the Academy for Behavioral Medicine Research, Bolton, Vermont, June, 1982.
6. **Abrams, D.B.** *Health psychology and behavioral medicine.* Invited presentation at the Rhode Island Psychological Association, October, 1982.
7. **Abrams, D.B.** *Motivating people to lose weight and keep it off.* Invited presentation at the New England Regional Nutritionist Meeting, Community College of Rhode Island, January, 1983.

8. **Abrams, D.B.** *Behavioral medicine: State of the art for office practice*. Invited presentation. Update in Office Cardiology for the Primary Physician, Lehigh Valley Hospital Center, Allentown, Pennsylvania, September, 1983.
9. Follick, M.J., & **Abrams, D.B.** *Health promotion and coronary disease: Worksite weight loss*. Invited paper at the Berkshire Conference on Behavior Analysis and Therapy, University of Massachusetts, Amherst, Massachusetts, October, 1983.
10. **Abrams, D.B.** *Cardiovascular disease and health promotion*. Invited presentation at the Naval War College, Newport, Rhode Island, April, 1984.
11. **Abrams, D.B.**, Pinto, R., Monti, P., & Jacobus, S. *Reactivity of smokers, quitters and controls to smoking cues*. Invited symposium presentation at the Association for Advancement of Behavior Therapy, Philadelphia, Pennsylvania, November, 1984.
12. Binkoff, J., **Abrams, D.B.**, Collins, L., et al. *Exposure to alcohol cues: Impact on reactivity and drink refusal skills in problem and non-problem drinkers*. Invited symposium presentation at the Association for Advancement of Behavior Therapy, Philadelphia, Pennsylvania, November, 1984.
13. **Abrams, D.B.**, Invited Discussant. In A. Bandura (Chair), *Social learning theory*. Carnegie Foundation Conference on prevention of health risk-taking behaviors. Center for Advanced Studies in the Behavioral Sciences, Stanford University, Palo Alto, California, November, 1984.
14. **Abrams, D.B.**, et al. Cue reactivity across smoking and alcohol addiction: Common mechanisms and treatment implications. Invited symposium presentation. In L. Collins (Chair), *Similarities and differences across addictive disorders*. Symposium presented at the annual convention of the American Psychological Association, Los Angeles, California, August, 1985.
15. **Abrams, D.B.**, Invited Discussant. Stress and smoking behavior. In T.A. Wills (Chair), *Symposium on stress and smoking*. Presented at the annual convention of the American Psychological Association, Los Angeles, California, August, 1985.
16. **Abrams, D.B.**, Invited Colloquium Participant. *The politics and science of smoking prevention*. Presented at the Harvard School of Public Health, Boston, Massachusetts, April, 1985.
17. **Abrams, D.B.**, Invited Speaker. *Habit disorders: Alcohol and tobacco dependence*. Presented at the annual convention of the American Psychiatric Association, Washington, DC, May, 1986.
18. **Abrams, D.B.** Invited Contributor: *The 1987 Surgeon General's Report on Smoking and Health. Psychophysiologic Reactivity, Smoking and Relapse*, July, 1987.
19. **Abrams, D.B.** Invited Presentation (with Lois Biener, Ph.D.). *Smoking policy at the workplace*. Presented at the National Heart, Lung, and Blood Institute, Bethesda, Maryland, August, 1987.
20. **Abrams, D.B.** Invited Presentation. Psychosocial stress, smoking cues and relapse prevention. In A. Marlatt (Chair), *Relapse prevention: Commonalities across disorders*.

- Symposium presented at the 21st annual convention of the Association for Advancement of Behavior Therapy, Boston, Massachusetts, November, 1987.
21. **Abrams, D.B.** Invited Presentation. *Behavior and cognitive therapy. Behavioral medicine - Treatment of addictive behaviors*. Presented at the Harvard Medical School, Massachusetts General Hospital, Department of Psychiatry, Boston, Massachusetts, 1988.
 22. **Abrams, D.B.** Invited Consultant. *Addictions and health promotion*. Presented at the 23rd annual convention of the Association for Advancement of Behavior Therapy, Washington, DC, November, 1989.
 23. **Abrams, D.B.** Invited Presentation. Organizational approaches to workplace smoking cessation. In E. Fischer (Chair), *Community organization, empowerment and behavioral conceptualizations*. Symposium presented at the 23rd annual convention of the Association for Advancement of Behavior Therapy, Washington, DC, November, 1989.
 24. **Abrams, D.B.** Invited Presentation. *The health care revolution: The example of behavioral medicine*. Presented at the annual meeting of the Rhode Island Psychological Association, Providence, Rhode Island, April, 1989.
 25. **Abrams, D.B.** Invited Discussant. *Stages of change: Extensions to new areas of behavior change*. Symposium presented at the 98th annual convention of the American Psychological Association. J. Prochaska (Chair), 1990.
 26. **Abrams, D.B.** Invited External Scientific Reviewer. *The 1990 Surgeon General's Report: The Health Consequences of Smoking Cessation*. Office on Smoking and Health, Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control, Rockville, Maryland, November, 1990.
 27. Emmons, K., & **Abrams, D.B.** Invited Workshop. *New conceptual approaches to health promotion at the worksite*. Workshop presented at the 25th annual convention of the Association for Advancement of Behavior Therapy, New York, November, 1991.
 28. **Abrams, D.B.** Invited Paper Session Chairperson. *Tobacco dependence*. Presented at the 13th annual convention of the Society of Behavioral Medicine, New York, March, 1992.
 29. **Abrams, D.B.** Invited Keynote Presentation. A stepped-care model for optimal treatment of tobacco dependence. Presented at the national conference on role of prevention in health care reform: *Smoking cessation: Who quits and who pays?* The Johns Hopkins School of Medicine, Division of Biobehavioral Sciences, Washington, DC, April, 1993.
 30. Invited Participant. Monti, P.M., Rohsenow, D.R., & **Abrams, D.B.** *Alcohol cue reactivity research: The role of affect, attention and awareness*. Paper presented at the 101st annual meeting of the American Psychological Association, Toronto, Canada, August, 1993.
 31. Invited Keynote Address. *A comprehensive stepped-care algorithm for adult smoking cessation*. Presented at the American Society for Addiction Medicine (ASAM), Atlanta, Georgia, November, 1993.

32. Invited Presentation. *Multiple risk factor intervention for cancer prevention at the worksite*. Presented at the American Society of Preventive Oncology, Bethesda, Maryland, March, 1994.
33. Invited Master Lecture. *An integration of individual and public health perspectives for cancer prevention and control*. Presented at the 15th annual convention of the Society of Behavioral Medicine, Boston, Massachusetts, April, 1994.
34. Invited Presentation. Niaura, R., Goldstein, M., Brown, R., Murphy, J., & **Abrams, D.B.** *A double-blind randomized dose-response trial of clonidine for smoking cessation*. Special citation paper presented at the 15th annual convention of the Society of Behavioral Medicine, Boston, Massachusetts, April, 1994.
35. Invited Symposium Co-Chairperson. An algorithm for comprehensive treatment of tobacco dependence. In J. Hughes, & **D. Abrams** (Co-Chairs), *Algorithms for treating smoking*. Symposium presented at the 15th annual convention of the Society of Behavioral Medicine, Boston, Massachusetts, April, 1994.
36. Invited Symposium Co-Chairperson. *Alcohol and nicotine dependence: Biobehavioral mechanisms, treatment and policy implications*. Presented at the Research Society on Alcoholism, Maui, Hawaii, June, 1994.
37. Invited Presentation. *Critical issues in treatment policy research (with lessons from the tobacco experience)*. Paper presented at the Research Society on Alcoholism, Maui, Hawaii, June, 1994.
38. Invited Presentation. Brown, R.A., Miller, I.M., Goldstein, M.G., **Abrams, D.B.**, Niaura, R.S., & Murphy, J.K. *Coping with depression in smoking cessation*. In T.H. Brandon (Chair), *New directions in smoking cessation: Treating smoking by treating depression*. Symposium presented at the 28th annual convention of the Association for Advancement of Behavior Therapy, San Diego, California, November, 1994.
39. Invited Address. Monti, P.M., Rohsenow, D.J., **Abrams, D.B.**, & Colby, S.M. *Smoking among alcoholics before, during and after treatment: Implications for treatment and policy*. Alcohol and Tobacco: From Basic Science to Policy. Consensus conference sponsored by the National Institute on Alcohol Abuse and Alcoholism, San Diego, California, November, 1994.
40. Invited Keynote Address. *Physician delivered treatments for tobacco dependence: A stepped care approach*. Presented at the 7th National Nicotine Dependence Conference of the American Society of Addictive Medicine, Cambridge, Massachusetts, November, 1994.
41. Invited Keynote Address. *Integrating individual and public health models for cancer prevention: The example of tobacco dependence*. Presented at the New England Association for Cancer Research, Providence, Rhode Island, March, 1995.
42. Invited Briefing. *The current status and future needs of research on nicotine and tobacco*. Presented to the Director, National Institutes of Health and the chiefs of the NIH Branches, National Institutes of Health, Behavioral and Social Sciences Research, Bethesda, Maryland, 1995.

43. Invited Paper. **Abrams, DB.**, Niaura, R., Monti, P., Rohsenow, D., Sirota, A., & Shadel, W.G. *Cue exposure treatment and smoking cessation*. Presented at research conference of Yale/Brown/University of Rhode Island, Providence, Rhode Island, May, 1995.
44. Invited Paper. Shadel, W.G., Niaura, R., & **Abrams, DB.** *Individual differences in smoking cessation: A social-cognitive self-regulatory systems theory*. Presented at research conference of Yale/Brown/University of Rhode Island, South Kingston, Rhode Island, May, 1996.
45. Rohsenow, D.J., Monti, P.M., Swift, R.M., **Abrams, D.B.**, Colby, S.M., Mueller, T.I., Brown, R.A., & Gordon, A. *Naltrexone's effects on urge to drink during alcohol exposure: Preliminary results*. Abstract presented at the annual meeting of the Research Society on Alcoholism, June, 1996.
46. Invited Keynote Speaker. *Cancer control and prevention research in the 21st century: Towards reducing the cancer burden*. Presented at the Memorial Sloan-Kettering Cancer Center for the Dukoff Family Lecture & Visiting Scholar Program, New York, January, 1998.
47. Invited Keynote Speaker - The W.T. Grant Foundation Award. *Bridging biomedical and population research across the lifespan: Paradigms for the 21st century*. Presented at the annual meeting of the American Psychosomatic Society, Clearwater, Florida, March, 1998.
48. Invited Chair. Opening Keynote Session: *Future survival or extinction of behavioral medicine? The challenge and opportunity of the revolution in informatics, tailored communications, and health care delivery*. Presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, Louisiana, March, 1998.
49. Invited Discussant. Symposium I. *Addressing tobacco and risky drinking in managed care: Promising models, future needs*. Presented at annual meeting of the Society of Behavioral Medicine, New Orleans, Louisiana, March, 1998.
50. Invited Discussant. Symposium XIV. *Addressing the social context of health behavior*. Presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, Louisiana, March, 1998.
51. Invited Discussant. *Bridging cells and society: Paradigms for the 21st century*. Presented at National Institutes of Health Conference, Preventive Intervention Research at the Crossroads: Contributions and Opportunities from the Behavioral and Social Sciences, Bethesda, Maryland, November, 1998.
52. **Abrams, D.B.** *Paradigms for interdisciplinary research for the twenty-first century: From cells to society*. Keynote speaker at the 6th Annual Research Celebration, Rhode Island Hospital, Providence, Rhode Island, 1998.
53. **Abrams, D.B.** *Tobacco and cancer: From cells to society*. Oncology Grand Rounds presented at Tufts University Cancer Center, New England Medical Center, Boston, Massachusetts, October, 1999.

54. Lloyd-Richardson, E., Niaura, R., & **Abrams, D.B.** *Informed development of smoking cessation interventions: Addressing the needs of college and technical school students.* Invited symposium presentation at the Society for Prevention Research, Washington, DC, June, 2001.
55. **Abrams, D.B.** *Transdisciplinary, translational, transcultural and transnational research for behavioral medicine in the 21st century.* Presidential address presented at the annual meeting of the Society of Behavioral Medicine, Salt Lake City, Utah, March, 2003.
56. **Abrams, D.B.** *Treatment of tobacco dependence in chronic obstructive pulmonary disease.* Invited presentation at the National Conference on Chronic Obstructive Pulmonary Disease, Washington, DC, November, 2003.
57. **Abrams, D.B.** *Who makes smoking fun? The conspiracy of psychobiological traits and the institutions that capitalize on them.* Invited presentation at 2003 Lipsitt-Duchin Lecture Series, "What's Killing Our Kids?," Brown Medical School, Providence, RI, November, 2003.
58. **Abrams, D.B.** *Dissemination of evidence-based treatment for tobacco dependence.* Presented at the National Conference on Tobacco or Health, Boston, MA, December, 2003.
59. **Abrams, D.B.** *Transdisciplinary research from nucleotide to nation: The example of lung cancer.* Presented at the Faculty Research Forum and Luncheon, Brown University
60. Center for Primary Care and Prevention at Memorial Hospital of Rhode Island, Providence, RI, February, 2004.
61. Graham, AL, **Abrams DB.** (June, 2004). *eHealth Express Grantsmanship Workshop: Expedited Grantwriting Skill Development through Hands-on Practice Sessions.* Critical Issues in eHealth Research Preconference Workshop.
62. **Abrams DB.** (December, 2005). *Population-wide Smoking Cessation; A Systems Integration.* Innovations in Building Consumer Demand For Tobacco Cessation Products And Services. The Robert Wood Johnson Foundation. Washington, DC.
63. Graham, AL, **Abrams DB.** (June, 2005). *Internal and external validity in health communication research and other lessons learned.* Health Communication and Informatics Research Branch, National Cancer Institute. Bethesda, MD.
64. **Abrams DB.** (June, 2008). NIH priorities for Behavioral and Social Sciences and the OBSSR. Academy for Behavioral Medicine Research. Annual Conference: Lake Louise, Canada.
65. **Abrams DB.** (August, 2008). Policy and Practice in Tobacco Control. American Sociological Association Annual Conference: Worlds of Work. Boston, MA.
66. **Abrams DB.** (October, 2008). Systems Modeling in Addictions. Conference on Multidisciplinary Approached to Studying Behavior Change in Alcohol, Tobacco and Drug Abuse. Columbia Univ. A New York NY.

67. **Abrams DB.** (August 2009). Tobacco Cessation and Policy: A Systems' Integrative Approach. The Institute for Global Tobacco Control at the Johns Hopkins Bloomberg School of Public Health 4th Annual Global Tobacco Control Leadership Program. Mount Washington Conference Center, Baltimore, MD.
68. Kirchner, T, **Abrams DB et al.** (October 2009). Web-based Mobil Support for the D.C. Tobacco Quitline. Presented at the 2009 Health Summit, Ronald Regan Building International Trade Center, Washington, DC .
69. **Abrams DB.** (Jan. 2010). Systems Approaches to Improving: Smoking and Obesity. Lecturer, Boston University Clinical Psychology Department, Boston, MA.
70. **Abrams DB.** (March 2010). Tobacco, Biomedical and Public Health Sciences: A Journey from Cells to Society. Lecturer, Johns Hopkins Bloomberg School of Public Health, Baltimore, MD.

International Presentations (duplicates items in other categories of presentations)

1. **Abrams, D.B.** Invited Presentation. *Biopsychosocial assessment of alcohol and stress: Bridging the gap between laboratory and treatment outcome.* First International Symposium on Stress and Alcohol Use. Center for Alcohol Studies, Rutgers University, New Jersey, June, 1982.
2. Elder, J., **Abrams, D.B.**, et al. Invited Symposium. *Community psychology applications for smoking cessation and dietary cholesterol reduction via self-help.* The World Congress on Behavior Therapy, Washington, DC, December, 1983.
3. Rohsenow, D., Monti, P.M., & **Abrams, D.B.** *Alcohol expectancies and alcohol dependence, urge to drink and drinking among alcoholics.* Presented at the Fourth International Conference on Treatment of Addictive Behaviors, Os (Bergen), Norway, August, 1987.
4. Monti, P.M., **Abrams, D.B.**, Binkoff, J.A., Zwick, W., Liepman, M., Nirenberg, T., & Rohsenow, D. *The effects of communication skills training, family communication skills training and mood management training for alcoholics.* Presented at the Fourth International Conference on Treatment of Addictive Behaviors, Os (Bergen), Norway, August, 1987.
5. Monti, P.M., **Abrams, D.B.**, Binkoff, J.A., Rohsenow, D.J., & Zwick, W.R. *Cue reactivity in alcoholics.* Presented at the Fourth International Conference on Treatment of Addictive Behaviors, Os (Bergen), Norway, August, 1987
6. **Abrams, D.B.**, & Biener, L. *Accelerating reduction in smoking prevalence at the worksite: Evaluating a combined individual and organizational intervention.* Paper presented at the World Conference on Lung Health, American Thoracic Society and American Lung Association, Boston, Massachusetts, May, 1990.
7. Emmons, K.M., Marcus, B., **Abrams, D.B.**, Marshall, R., Kane, M., Etzel, R., & Novotny, T. *Multiple measures of passive smoking.* Paper presented at the World Conference on Lung Health, American Thoracic Society and American Lung Association, Boston, Massachusetts, May, 1990.

8. Marcus, B., Emmons, K.M., **Abrams, D.B.**, Marshall, R., Kane, M., Novotny, T., & Etzel, R. *The relationship between worksite smoking policy and biochemical detection of passive smoking*. Paper presented at the World Conference on Lung Health, American Thoracic Society and American Lung Association, Boston, MA, May, 1990.
9. **Abrams, D.B.** Invited Keynote Speaker. Principles and models of worksite health promotion. In: M. Henderson (PI). *International conference on promoting dietary change in communities*. The Frederick Hutchinson Cancer Research Center, Division of Public Health and the National Cancer Institute, Division of Cancer Prevention and Control, Seattle, Washington, August, 1991.
10. **Abrams, D.B.** *Integrating individual and public health perspectives for smoking cessation*. Symposium Chairperson. Second International Congress of Behavioral Medicine, Hamburg, Germany, July, 1992.
11. **Abrams, D.B.** A theoretical basis for integrating individual and public health channels of intervention. In: **D.B. Abrams** (Chairperson). *Symposium on integrating individual and public health perspectives on smoking cessation*. Second International Congress on Behavioral Medicine, Hamburg, Germany, July, 1992.
12. Emmons, K.M., Marcus, B.H., & **Abrams, D.B.** Delivery of smoking cessation and passive smoking interventions at the workplace. In: **D.B. Abrams** (Chairperson), *Integrating individual and public health perspectives on smoking cessation*. Second International Congress on Behavioral Medicine, Hamburg, Germany, July, 1992.
13. Monti, P., & **Abrams, D.B.** Invited Presentation. *Recent developments in cue-exposure assessment and treatment*. Symposium presented at the Second International Congress on Behavioral Medicine, Hamburg, Germany, July, 1992.
14. Rohsenow, D.J., **Abrams, D.B.**, et al. *Effects of coping skills treatment for cocaine users*. Paper presented at the 6th International Conference on Treatment of Addictive Behaviors, Santa Fe, New Mexico, January, 1993.
15. **Abrams, D.B.** Invited Discussant. *Update on cue exposure treatment for alcohol abuse*. Symposium presented at the 6th International Conference on Treatment of Addictive Behaviors, Santa Fe, New Mexico, January, 1993.
16. Rohsenow, D.J., **Abrams, D.B.** et al. *Cue exposure treatment for alcoholics: Preliminary results*. Paper presented as part of symposium at the 6th International Conference on Treatment of Addictive Behaviors, Santa Fe, New Mexico, January, 1993.
17. Gulliver, S.B., **Abrams, D.B.**, et al. *Urges to smoke and urges to drink during alcohol cue exposure trials*. Paper presented as part of symposium at the 6th International Conference on Treatment of Addictive Behaviors, Santa Fe, New Mexico, January, 1993.
18. **Abrams, D.B.** Invited Presentation. The transtheoretical (and other) model(s) applied to workplace populations. In J. Prochaska (Chair), *Matching smokers to treatments*. Symposium presented at the 9th World Conference on Tobacco and Health, Paris, France, October, 1994.

19. **Abrams, DB.** Tobacco dependence in workplace populations. In Prochaska, J. (Chair). *Symposium on matching smokers to treatments*. 9th World Conference on Tobacco and Health, Paris, France, October, 1994.
20. Niaura, R., **Abrams, DB.**, & Goldstein, M. *History of depression and smoking cessation during an unaided quit attempt*. Poster presented at the 9th World Conference on Tobacco and Health, Paris, France, October, 1994.
21. Fava, J.L., Velicer, W.F., & **Abrams, D.B.** *Two methods of assessing stage of change for smoking cessation: Similarities and differences*. Abstract presented at the 9th World Conference on Tobacco and Health, Paris, France, October, 1994.
22. Velicer, W.F., Fava, J.L., Prochaska, J.O., **Abrams, D.B.**, Emmons, K.M., & Pierce, J.P. *Distribution of smokers by stage on three representative samples*. Abstract presented at the 9th World Conference on Tobacco and Health, Paris, France, October, 1994.
23. Emmons, K., Goldstein, M., Sherman, C., Hecht, J., Millman, R., Cargill, B., & **Abrams, D.** *The motivational characteristics of a population-based sample of hospitalized smokers*. Abstract presented at the 9th World Conference on Tobacco and Health, Paris, France, October, 1994.
24. Rohsenow, D.J., Monti, P.M., & **Abrams, D.B.** *Coping skills treatment for cocaine abuse: Cocaine and alcohol use outcomes*. Abstract presented at the Seventh International Conference on Treatment of Addictive Behavior, Leeuwenhorst Center, The Netherlands, May, 1995.
25. Rohsenow, D.J., Monti, P.M., **Abrams, D.B.**, Gulliver, S.B., Rubonis, A.V., & Colby, S. *Cue exposure and coping skills treatment for alcohol abuse: Outcome at six and twelve months*. Abstract presented at the Seventh International Conference on Treatment of Addictive Behavior, Leeuwenhorst Center, The Netherlands, May, 1995.
26. Rohsenow, D.J., Monti, P.M., Martin, R.A., & **Abrams, D.B.** *Coping skills treatment for cocaine abuse: Cocaine and alcohol use outcomes*. Abstract presented at the Seventh International Conference on Treatment of Addictive Behavior, Leeuwenhorst Center, The Netherlands, May, 1995.
27. **Abrams, D.B.** Conceptual and methodological issues in defined population interventions research. In **D.B. Abrams** & B. Oldenburg (Co-Chairs), *What next for prevention in populations? Sobering lessons from worksite/community trials*. Symposium presented at the Fourth International Congress of Behavioral Medicine, Washington, DC, March, 1996.
28. **Abrams, D.B.** *Computer expert system for worksite health behaviors*. International Health Evaluation Association, Victoria, British Columbia, October, 1996.
29. **Abrams, D.B.** Invited Presentation. *Using personalized health information in workplace wellness programs*. Presented at the International Health Evaluation Association Conference, Victoria, British Columbia, Canada, October, 1996.
30. **Abrams, D.B.** *Community interventions for tobacco control: What's new? What works?* Paper presented at the Fourth International Conference on Preventive Cardiology, Montreal, Canada, June, 1997.

31. **Abrams, D.B.** *Computer expert system for workplace risk factor change*. Paper presented at the Fourth International Conference on Preventive Cardiology, Montreal, Canada, June, 1997.
32. **Abrams, D.B.** *Smoking cessation research*. Workshop presented at the Tenth World Conference on Tobacco and Health, Beijing, China, August, 1997.
33. Marcus, B., Albrecht, A., King, T., Parisi, A., Pinto, B., Roberts, M., & **Abrams, DB.** Exercise enhances smoking abstinence in women. In B.H. Marcus (Chair), *Psychological factors in addiction*. Paper presented at the 11th Conference of the European Health Psychology Society, Bordeaux, France, September, 1997.
34. Borrelli, B., **Abrams, DB.**, Emmons, K., Hecht, J., & Hooper, S. *Visiting nurses as a new channel for smoking cessation intervention delivery: Development and design of Project CARES (Community-Nurse Assisted Research and Education on Smoking)*. Presented at the International Conference on Tobacco, Canary Islands, Spain, 1999
35. Rohsenow, D.J., Monti, P.M., Martin, R.A., Michalec, E., & **Abrams, D.B.** *Brief coping skills treatment for cocaine abuse: Twelve month substance use outcomes*. Presented at the annual meeting of the College on Problems of Drug Dependence, Acapulco, Mexico, June, 1999.
36. Shadel, W.G., Niaura, R., & **Abrams, D.B.** *Personality structure among smokers: Assessment of a social cognitive self-regulatory system*. In D. Cervone (Chair), *Social-cognitive personality assessment: Structure, process, and content*. Invited symposium at the European Conference on Personality Assessment, Patras, Greece, August, 1999.
37. **Abrams, D.B.** Stepped-care model for efficient population-level research, intervention and policy. Presented at the WCTOH Helsinki Series, *Transdisciplinary Tobacco Use Research Centers (TTURC): A Model for Collaborative Science*, Helsinki, Finland, August, 2003.
